

**THANK YOU!!!!!!!!!!!!**

Because you have designated our school and shopped with your Target® Visa® or Target® Card, we recently received a donation from Target through their Take Charge of Education® program in the amount of \$156.00!!!! and are due to receive \$55 more in March!

This money will be used by the PTO for continuation of programs for our students and teacher support!!!

**A big thanks!!! —we couldn't have done it without you!**

Remember, grandparents, alumni, friends or neighbors can help, too.  
(They don't even have to be local residents)

When asked if you'd like to designate a School to receive a % of your purchase, please let them know **our School name and/or ID 56791 - Loranger Middle School! Or you can designate the school online (it's so easy!) and it's automatically enrolled when you use your Target RED card!!!!**  
**Happy Shopping!**

Further Program Details in the attached flyer!!!
